

Primary Grading Scale

Reporting Code:

4- Expanded: With very little supervision required, the student is demonstrating rapid progress in this learning area. This is an observed strength.

3- Competent: With little assistance, the student is demonstrating steady progress in this learning area. Strength is usually observed.

2- Developing: With some assistance at each step to insure focus, the student is demonstrating progress in this learning area. Some additional practice is needed.

1-Beginning: With direct assistance, the student is demonstrating some progress in this learning area. Extra time and practice are needed.

Effort Code:

NI- Needs Improvement

S- Satisfactory

O- Outstanding
